

Cool Dingo 2 Day / 1 Night Tour ex-Hervey Bay

Discover all the wonderful natural sites that have combined to make Fraser Island not only World Heritage-listed, but also a must-see on any East Coast travelling itinerary. Here's a snapshot of what's in store...

Departs 9.00am daily

Your Cool Dingo Tour departs at 9.00am on the Kingfisher Bay Resort passenger Ferry. Please make sure you check in to the Kingfisher Bay Mainland Terminal (at River Heads) by 8.15am, or let us know where you're staying and we'll pick you up between 7.00 and 8.00am - that's nice and easy!

The cruise to Fraser Island takes around 50 minutes across the Great Sandy Strait - so keep your eyes peeled for playful dolphins, turtles or the elusive dugong. Your Cool Dingo Ranger-Guide will meet you at the resorts' jetty and after your group introductions and a quick briefing, your 4WD adventure begins!

Top tip

You'll need to have a day-pack ready (with everything you'll need for the day's touring) before you check in at the Kingfisher Bay Mainland Terminal, as your tour starts as soon as you arrive on Fraser Island.

Your main backpack or other luggage will be delivered to the Wilderness Lodge storage area for you to collect in the afternoon. Don't forget to pack your swimmers, towel, hat, sunscreen, insect repellent, comfortable walking shoes or sandals, sunglasses, essential medication and your camera. Water will be provided, but a water bottle is always handy.

What you'll see

Your guide is a Fraser expert and is passionate about the island. You'll be whisked off over sand tracks to explore some of the island's most beautiful, natural spots - but they'll also wow you with fascinating facts about the island's history, fauna and flora.

Keep an eye out for dingoes, plus we have more than 354 species of birds, and migrating humpback whales can often be seen off the eastern beach from July to November!

On a Cool Dingo tour, your guide stays with you for the entire trip - and they guarantee a fun and entertaining time... or the cool dingo eats his hat!
